

SUPER SOAP

Active foam dispenser for car wash

Ideal as pre-wash and rim-wash, which can be installed as additional programme or replacing one of the preset programmes

Ideal as pre-wash and rim wash; it improves wash quality by 40%, even in places less reached by brushes such as spoilers, number plates, etc.

The combined action of surfactants and homogeneous distribution improves car washing with better results and reduced consumptions.

Available in 2 versions: as single self-service column or as casing kit for installation in a technical room for several self-service and hand-washing bays

- ✓ It improves washing quality
- ✓ It perfectly cleans rims and wheels
- ✓ It eliminates gnats
- ✓ It improves drying
- ✓ It reduces consumptions
- ✓ Great scenic effect
